Dear Austrian Club Member,

"I don't mind how much my Ministers talk, so long as they do what I say." Britain's former Prime Minister Margaret Thatcher said.

To see where she put this into practice and give you a fascinating peak into the workings of the heart of UK politics, we have organised a guided tour through the

Houses of Parliament

The Palace of Westminster, or the Houses of Parliament as it is also known, has changed dramatically over the course of nearly a thousand years of history. Transformed from royal residence to the home of a modern democracy, the architecture of the Palace and the wider Parliamentary Estate have continually evolved, sometimes by design, sometimes through accident or attack. A guided tour will take the Austrian Club into both the Commons and Lords debating chambers, the Queen's Robing Room and historic Westminster Hall.
